Lady Dorothy A and Fairy Ring A 2d, a beautiful pair bred at Shore Acres Farm. Both were sold in the auction sale a year ago, the former to Dr. W. A. Taylor, Portage, Wis. and the latter to Mr. E. M. Sims, Elkhart, Ind.

**N**O TRIP is too long and any cost of travel is perfectly justified when Shorthorns of such outstanding bloodlines and quality are to be sold. This sale will provide the finest buying opportunity of the year.

An outstanding group of Elcona brood cows. From left to right: Rosalie Ransom, Lady Rosewood 29th, Imp. Pitpointie Princess Royal 14th, Raveni Augusta 20th, Divide Belle 11th, and Princess Royal 70th. Two of them have calves in this sale.

## — General Information —

*Please note carefully these directions to Shores Acres Farm.* This farm is located midway between Rock Falls and Prophetstown, Illinois, on the South side of the Rock River.

Those coming from the East on Route 30 should turn South on Route 88 at Rock Falls to Route 226, then turn West seven miles to the Shore Acres Farm roadside sign. Then turn North to farm.

Those coming from the West should go to Prophetstown and take Route 226 East to the Shore Acres Farm roadside sign. Then turn North to farm.

The sale will start promptly at 1:00 P. M. Central War Time on Saturday, November 7, 1942.

Lunch will be served at the farm.

You do not need to depend on auto transportation to reach this sale. The main line of the Chicago and Northwestern Railroad runs through Sterling, Ill. Bus lines from Chicago to Omaha run through Sterling going East and West and bus lines from Peoria to Rockford run through Sterling going North and South. Consult your railroad or bus line agent at once for time schedules.

Headquarters for those who travel by train or bus will be at the Lincoln Hotel in Sterling, Ill. When you arrive in Sterling, go directly to this hotel where transportation to the farm will be available.

Those who wish to secure further information about the cattle in this sale or regarding travel accommodations either by train, bus or auto should get in touch with Hal Longley, Sale Manager, 37 Island Ave., Aurora, Illinois.

The auctioneers will be A. W. Thompson and J. E. Halsey.

**F**ORTUNATE indeed for prospective buyers is the arrangement that allows the Shore Acres and Elcona productions to be offered in the same auction sale because such an event represents the finest cattle of the breed and the finest men of the breed. The two herds are alike in that they were founded on the choicest specimens that money could buy and the owners of the two herds are alike in their desire never to sell anything that will fail to prove an improving influence in the herd of the new owner.

I was greatly impressed with the cattle that are to be sold in this sale on the occasion of my recent inspection. They are the kind that wear their pedigrees on their backs. Every animal in the sale is of the type most admired by critical judges and nearly every animal in the sale displays show ring conformation. A glance at the pedigrees in this catalog will convince anyone that Shorthorns of such rich ancestry are seldom exposed for sale and an inspection of the cattle on sale day will cause visitors to agree with the writer that the cattle are just the kind that could be expected from such strong pedigrees.

I do not believe my sincere admiration and liking for the owners of these two great herds has caused me to be warped in my opinion of their cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Shore Acres Farm, under the guidance of Arnold Bros. and Elcona Farms, under the guidance of Mr. Sims, are among the best.

Imp. Cruggleton Achtoi

Imp. Cruggleton Achtoi (pronounced Ak-Toy) was bred by A. J. Marshall and was produced from his famous Augusta family. He was sired by Coldoch Silver Wedding, reserve champion at the Perth Show in 1937 and a direct descendant of the noted Collynie Royal Leader through his sire Bapton Crocus Leader. Ideal in his dark roan color and impressive in body form, Imp. Cruggleton Achtoi is siring calves that closely approach perfection in beef type. Two bulls and three females in this sale were sired by him and a liberal number of choice females are carrying his service.

Achtoi's Signet

**Achtoi's Signet** — We are very proud of this bull. That he is the best bull we have ever offered from the Shore Acres herd we are very certain, and good judges who have visited the farm assure us that he is one of the top herd bull prospects of the year. He is a son of Imp. Cruggleton Achtoi and his dam was a top production of the Mathers herd, being a representative of the Ruby family that has produced many of the greatest Level-dale show ring winners. This calf has an excellent head, with a wide muzzle and a nicely turned horn. He is closely coupled, wide in front, well filled over the heart, with a level top and bottom, strong quarters and a smooth tail setting. We have been critical in our own selection of herd bulls and this calf has exactly those things that we have looked for in our own search for herd bull material. He has our highest recommendation.

Achtoi Premier

Achtoi Premier — Many visitors to our farm have considered him our best herd bull prospect. Most certainly he displays great width, spread of rib, levelness of lines and is remarkable in the fullness of quarters and depth of twist. He is out of the same cow that produced the top heifer that sold to Mr. Sims in our last year's sale. Backed by a pedigree that insures the ability to reproduce his blocky, compact characteristics, we hope this bull will head a herd where he can have the proper opportunity to make a great name for himself.

Rosemary of Shoreacres B 4th

Rosemary of Shore Acres B 4th  
— We are perfectly willing to accept the judgment of the public as to which is the top female in our herd. In our opinion this daughter of Imp. Cruggleton Achtoi is one of the tops. It is difficult to fault her in any way. Her picture indicates clearly her outstanding character, quality and conformation. She represents two generations of our own breeding. That she will always please her new owner is certain and that she will always be a convincing advertisement for Shore Acres Shorthorns is equally certain. She is the best heifer we have ever offered.

Sylvia of Shore Acres A 2d — Although the blockiness and compactness of this heifer is apparent from a study of her picture, we feel that she is even better than her picture shows her to be. She is a perfect summer yearling show heifer, full of quality and from a family that has proved very dependable in our herd. Her dam was exhibited with Shore Acres Brilliant at the 1937 International and together they won third prize in the strong class for pair of calves. She proves conclusively the breeding ability of Imp. Crugleton Achtoi.

Princess Victoria B 3d — We derive great satisfaction out of heifers of this quality that represent two generations of our own breeding. Here is a show heifer in every particular. She looks like the kind that will be just as blocky, thick and smooth fleshed in her mature form as she is at present. Her sire is a son of Calrossie Command and the third and fourth sires in her pedigree were both International grand champions.

Augusta B

Augusta B — Although she is short of age to sell to best advantage, we are certain that good breeders will recognize top quality in this heifer. She displays marvelous width of body and spread of ribs for a heifer of her age. Her legs are placed well out at the corners of her blocky body and she has just about all the quality, style and character that could be packed into a show heifer. In her two top crosses she combines the blood of the noted Calrossie Command with that of the International grand champion Oakdale Stanmore. Be very sure that you do not overlook her.

The first three bulls in her pedigree bring together a combination of the blood of Calrossie Command, Collynie Royal Leader and Rosehaugh Mandarin. The second dam in her pedigree was the great cow Imp. Collynie Fairy Flower bred by Duthie Webster. Her new owner will always be proud of her individuality and her ancestry.

Duchess of Gloster B 2d — This is a pedigree that we have always liked and the heifer is just the kind of an individual you would expect from such ancestry. She is wonderfully level and true in her lines, with great depth and width of body. Read the names of the sires in her pedigree and then note that she comes from the most fashionable branch of the Duchess of Gloster family. She is the kind of a heifer upon which successful herds may be founded.

## *The Elcona Consignment*

Mr. & Mrs. Ernest M. Sims, Owners  
Earl Purdy, Manager

Every calf on the farm that has reached saleable age has been included in this offering. None have been reserved.

A quartet of perfectly formed individuals sired by the many times grand champion Sni-a-Bar Royal Baron. All four will sell in this sale. From left to right, they are: Elcona Baron Leader (Lot 25), Elcona Broadhooks Queen (Lot 31), Elcona Roland Baron (Lot 27), and Elcona Baron Paymaster (Lot 24).

All that we had hoped for is true in the calves by SNI-A-BAR ROYAL BARON. Those important characteristics that won highest recognition from him in three years of showing . . . characteristics that are so perfectly portrayed in the picture shown below . . . have been passed on to his calves. And that these calves in turn will be even more certain to work improvement in the herds of their new owners is assured through the fact that each is out of a female that was capable of topping the sale of a noted breeder.

Sni-a-Bar Royal Baron 1929067 by Sni-a-Bar Crown. Many times a first prize winner as a calf and yearling, undefeated in class as a 2 year old at all major 1940 shows including the International and American Royal, and grand champion at the Ohio, Indiana and Kentucky State Fair. Chief stock bull at Elcona Farms.

Elcona Baron Paymaster — Those who study the pedigree of this red calf will have an immediate desire to own him, and this desire will be equally as great after a first hand inspection. He is out of a beautiful red cow, sired by Imp. Walshford Paymaster that we secured from the strong Beath Farms' herd in Canada and she, in turn, was out of a daughter of the great Imported cow, Phingask Myrtle 2d that was perhaps the greatest producing cow ever owned at Edellyn Farm. If you are seeking a red calf of great depth, thickness, shortness of leg and width of front and rear, we are certain this son of the champion Sni-a-Bar Royal Baron will please you.

Elcona Baron Leader — The thousands of persons who admired the many times grand champion Sni-a-Bar Royal Baron when he was at the head of his show ring career, will be just as sure to admire this outstanding red son. He is the image of his sire at the same age. He has a remarkable spread of rib, is wide and deep, heavy quartered, smooth at the rump and displays real character in his head. His dam is an excellent dark red cow and a member of the strong Gordon Clipper family. Study his picture carefully and plan to improve your herd through the ownership of this blocky, short legged son of a many times champion.

Elcona Favorite Baron

Elcona Favorite Baron — Perhaps he is short of age to bring his true value, but all who see him will recognize his outstanding quality. He is smooth, blocky, well balanced, with strong quarters, a smooth rump and a grand head. He will bring to his new owner a combination of blood that has won championships in both this country and Scotland. His dam is solid red and is an imported cow that was sired by a grandson of the noted Collynie Royal Leader.

Elcona Roland Baron — Wish it were possible for every prospective buyer to see the sire and dam of this promising young bull because such an inspection gives full assurance of his right to head a strong herd. His is a son of the many times grand champion Sni-a-Bar Royal Baron and his dam, a solid red cow of excellent type, is a daughter of Roland Clipper, admittedly the best breeding bull ever used in the famous Beath herd in Canada. This calf has the head and neck of a real sire. He is remarkably well balanced, true in his lines and shows great depth and width of body for a calf of his age. We know he will accomplish for his new owner equally as much as Sni-a-Bar Royal Baron has accomplished for us.

**Elcona Ransom Sensation** — We have used this bull on our choicest heifers before offering him in the sale. We believe he is one of the real "Opportunity Bulls" of the year. His sire, Rigfoot Sensation, was an undefeated grand champion at Canadian shows and thirteen of his calves sold in the recent Beath-Deacon-Murphy sale in Canada for an average of \$501 per head. Elcona Ransom Sensation is out of an excellent solid red cow that was sired by OAC Ransom 2d, he by the noted Imp. Millhills Ransom. This bull is solid dark red, very deep bodied, short legged and compact, with an ideal stock bull head. His dam is one of the lowest set cows on the continent and good judges have proclaimed her to be as near the perfect Shorthorn type as can be found. He should head one of the country's great herds. What he costs will be immaterial in relation to the fame he will bring to his new owner.

Elcona Prince Peter — Breeders everywhere are aware that we founded the Elcona Herd on top females selected from the strongest herds in North America: In many cases these heifers were bred at the time of purchase. We are fortunate to be able to offer this beautiful dark roan son of Imp. Calrossie Prince Peter, the Perth grand champion bull that heads the great Miles-of-View Herd. This calf is out of a very typy, evenly colored dark roan cow bred by T. Dorsey Jones. He is a mavel for blockiness. He is also short legged, deep bodied, with a smooth, level rump and strong quarters. You will like his picture shown above and he analyses perfectly on inspection.

Elcona Emma — Due to the fact that we consider her to be the greatest female that will be offered for sale anywhere this year, we have provided two views of this wonderful heifer for use in this catalog. She is absolutely faultless in conformation. She is a daughter of the noted Perth champion Imp. Calrossie Prince Peter, her dam was by Imp. Scotston Airman and her granddam was a full sister to the many times grand champion female, Sni-a-Bar Emma 5th. When we founded our herd, we searched the strongest herds in North America to locate heifers of this type, quality and character and we paid the top prices to secure them. Again we venture the assertion "she is the best female of the year."

Elcona Beauty — We do not like to part with this heifer because she would fit in our herd perfectly. However, in order to provide our portion of this sale offering, we are selling every calf that has reached saleable age in our herd. This heifer could win in the senior calf class at the strongest shows. As her picture shows, she has a beautifully feminine head, is smooth shouldered, well covered over the heart, has a level top and bottom and is remarkably strong and full in her quarters. She is a marvel for depth of body, blockiness and balance. Her sire was the top bull in the Maxwalton sale two years ago, her dam is perhaps the best female ever sired by the famous Browndale Cumberland and her granddam was a full sister to the champion Maxwalton herd bull. We know you will like her.
